

# FREE AS YOU ARE

By Dwight Liles/Michele Wagner

## *Interlude*

### *Verse 1*

Set me free Lord, Free to love, free to give  
Set me free Lord, Free to laugh free to live  
Break these chains, Lord - that imprison my heart  
Let me run to you - Set me free as you are

### *Chorus*

Free as you are  
Free as you are  
Free as you are

### *Verse 2*

Set me free Lord, Lead me into your light  
Set me free Lord, Teach me all that is right  
Let me fly to you like an arrow to its mark  
Let me run with you - Set me free as you are

### *Chorus*

Free as you are  
Free as you are  
Free as you are

### *Bridge*

To know your will to know your truth to understand the ways of you  
To feel your love Ignite my soul until I'm healed until I'm whole  
Till joy and trust dance in my heart and I am free as free as you are

Free as you are
