

LOVE'S ON THE OTHER SIDE

By Michele Wagner

Reference: Numbers 13:25 -14:10

Verse 1

Are you fooled by what you know?
Are you scared to face the unknown?
Your hearts' been hurt but it doesn't have to stay that way Cause there's a love that wants
to take your hand
And cross you over to a greater land
Where dreams are real and you can trust a - gain
But lately you feel afraid
You want to know for sure you want to stay safe
Don't you know that

Chorus

Love's On the Other Side
Don't you see it's green and so full of life Once you take that step you'll realize
Love's on the other side

Verse 2

You look at your circumstance
You don't think that you'll see the chance to win So you'd rather hold on to the little you
have
But this time you can risk it all
Don't worry even if you fall
Love promised to never leave you or let you down His perfect love can replace
Any fears you have don't hesitate
Don't you know that

Bridge

You can choose to stay where you are
Or risk what you have to gain so much more

Chorus

Ending

Love's on the other side
The other side
The other side
Ooh -ah
The other side!
