

SHE GAVE HER ALL

By Michele Wagner & Mark Hauth Reference: Mark 14:3-8

Verse 1

Slowly, she opens the precious gift
Knowing the time has come for all that he must do
She pours out on Jesus her very heart
His worth so much more, than any rare perfume
Oh she'll always be remembered
For her resolute devotion
No matter what the cost

Chorus

She gave her all and did what she could do
Though her precious gift she knew
was foolish to the eyes of the world
She gave her heart in such a special way
And never ever cared what some would say
He was all that mattered
She gave her all She gave her all to Him

Verse 2

Some times we lose sight of who He is
And how much His love gives meaning to our lives
In pursuit of our own dreams we often miss
The virtue still found in this loving sacrifice
Oh we simply must remember
How faithfully she loved Him
And somehow do the same

Ending

She gave her all
She gave her all to Him
She gave her all
She sacrificed to Him
She gave her all
She poured out her heart to Him Ooh she gave her all
