

TENDER SENSITIVE HEART

By Michele Wagner & Dwight Lilies

Reference: Psalm 51:10-12, Ezekiel 36:26, Philippians 3:10-12

Intro/Interlude

Verse 1

So many times you have called me to follow and enter your work
But I waited, watched and prayed never acting on what I had heard
I wondered how many moments have slipped through my hesitant hands
I wonder how many thoughts of your heart I failed to understand

Chorus 1

Give me a tender sensitive heart that I may hear your voice
Give me a tender sensitive heart letting your wisdom guide my choice
Moved by your slightest touch that I may know your way
Give me a tender sensitive heart, Jesus I pray

Verse 2

I want to be a servant a person who lives in your will
And I want to make you known as your dream for my life is fulfilled
So help me to truly hear you and in hearing you truly obey
In every swiftly passing hour every precious day

Bridge

Give me a heart to hear you
Give me a heart to see
All that you want to do through me

Chorus 2

Give me tender sensitive heart that I may hear your voice
Give me a tender sensitive heart letting your wisdom guide my choice
Moved by your slightest touch that I may know your way
Give me a tender sensitive heart
Give me a tender sensitive heart
Give me a tender sensitive heart

Ending

Jesus I pray ooh I love You Jesus I pray Lord Love You
