Verse 1

The night is done the day has come The darkness slowly melts away
The past is gone my heart is won I'm never going to be the same Lord,
I have looked into your eyes And I have seen your love for me

Chorus

With my heart, with my will
With my mind and strength until my life is done
I will love you with my all
With my dreams, with my hopes
I will stay and never go because You are the One I will love you with my all

Verse 2

So take me now into your world And I will take You into mine
I want to give each day I live To you until the end of time
For You have bound my soul to You And you have set my spirit free

All I have all I am
All I want to be is yours

Ending

With my all With my all
