## **Verse 1**

I know there's someone special with me  
I know there's someone special with me It's my baby  
Christopher I love you so  
I know there's someone special with me Jesus shows his great love to me  
through my baby Christopher I love you so

## **Chorus**

Baby I pray you always know you're loved Baby I pray you always see  
God's love You're our special baby  
Jesus shows His great love to me

## **Verse 2**

Daddy cried the day you were born  
He never felt a love like this before  
Oh baby Christopher we love you so  
We love to see the smile in your eyes  
We love to hear you stretch your voice high Oh baby Christopher we love  
you so

## **Bridge**

No other little boy's like you (You're the only one) Jesus loved you before  
you were born  
I pray you love Him too

## **Verse 3**

Oh I'm thankful for this precious little boy  
My heart is overflowing with new joy  
Oh baby Christopher I love you so  
And to think the Lord loved you enough to die  
And to think that He can love you more than I Oh baby Christopher He  
loves you so  
Jesus loves you so

## **Ending**

Jesus loves you this I know (4x) Jesus loves you so
