Michele Wagner/Phil Madeira/ Bill Bastone

Reference: Jeremiah 29:11

## *Intro/Interlude*

### *Verse 1*

Life is like an open road  
Lord show me which way I should go  
There's a mission on my mind  
I am following your word like a highway sign

### *Verse 2*

*"I am with you do not fear"*  
Are the words you whisper in my ear  
Your plans for me are sure  
I will focus on the one I serve

### *Chorus*

You are the Heart of the Journey  
The beginning and end of my road  
You are the Heart of the Journey  
Leading me all the way home on the open road

### *Verse 2*

Guide me with your gentle hand  
I am trusting in Your plans  
You are faithful You are true And my future is secure in You

### *Bridge*

To the open road  
You are with me and I see your plan unfold  
Oh Jesus, You're my destiny!

### *Chorus*

### *Ending*
