

HOLY ONE

By Michele Wagner & Dwight Liles

Intro/Interlude

Verse 1

Holy One, I am weak, you are strong and I kneel before Your feet
For Your strength I now entreat
Holy One, I am foolish, you are wise and I long to know your mind
Though to wisdom un-inclined

Chorus

O Holy One, Holy One
God of love and life my soul's delight
Holy One, Holy One
To You I come, Holy One

Verse 2

Holy One, I am sick, you can heal and I bring my fallen frame
Trusting only in your name
Holy One, I am sinful, you are good loathing all my wrong desire
To Your goodness I aspire
