

SIMPLE DEVOTED AND TRUE

By Michele Wagner
Reference: Revelation 2:4

Intro/Interlude

Chorus

Simple Devoted and True is the way I've got to
Live all my life just for you every day and night
Lord I pray I stay following you
Simple Devoted and True

Verse 1

Cause this world can be a heavy load that my soul just can't bear
unless I learn to trust to you my worries and my cares
And I know there will be those who will have their words to say
And wrong may seem right through imperfect eyes
But I know I must stay

Verse 2

With my mind I can plan my way
And I know you'll be there ever step
And though this world may want me to stray
Your words I can't forget

Ending

Simple Devoted and True that's the way
Simple Devoted and True help me stay
Simple Devoted and True Lord I pray
Simple Devoted and True
